Help women begin their journey to revealing their best selves through this 90-day program called [Revelation 90](#), which begins on Ash Wednesday.

What is Revelation 90?

For 90 days, women use the Revelation 90 Journal and the PeakDay app to challenge themselves in areas like daily prayer, cycle tracking, nutrition, and wellness.

[Revelation 90](#) was created by the makers of the PeakDay app, a 100% Catholic Fertility Tracking App and partners with other Catholic ministries for the perfect Lenten challenge.

Te Kupenga Catholic Theological College is offering online webinars in 2025. This series features our current and past students who will inspire us as they talk about growing in faith, leadership in ministry, and their role in ministry.
